JEO Elementary School 357-3112

Access to your student's learning management system account, called Canvas is now available online for parents to join as an Observer. This will allow you to view items such as Assignments, Calendar Events, and many other items that are communicated from the teacher to your student.

****Note, you will not be able to communicate with the teacher, your student, or other students via Canvas but rather you will only have the ability to view your student's information in their classes.**** For additional information on what the Parent Observer account can do please visit:

<https://community.canvaslms.com/docs/DOC-4033>

You will need the following information:

- The website location is: <https://gkb.instructure.com>
- You will need your student's username and password to create a parent account as an Observer (only one account is needed for multiple students in the district).
 - Student Username:
 - Student Password (case sensitive):

If you need assistance in signing up for the Parent Observer account, please use the following guides:

If you have internet, you can view the information on your student at any time. Please keep your student's passwords confidential.

If you have any questions on this, please contact your building administrator.

Sincerely,

The Administrative Team
